Work entitlement

It is an offence under the Immigration Act 2009 to employ a person who is not entitled to work in New Zealand. One way for employers to avoid committing this offence is to check a person's entitlement to work through Immigration New Zealand's online VisaView system. For more information or to register please visit www.immigration.govt.nz/visaview. Disclosure of information through VisaView is authorised by legislation.

Supporting Essential Skills work visa applications

Employers with low-skilled vacancies must engage with Work and Income before supporting an Essential Skills work visa application. Work and Income will refer candidates who are suitable and available for the role (if there are any) and provide a Skills Match Report if you choose to support a work visa application.

You can find more details in the Essential Skills employer guide on our website.

When filling in this form, please write clearly in English using CAPITAL LETTERS.
