Mechanical Breakdown Insurance		
Policy Number	MA3 6478314	
Dealer Name	MARAC DEALER	
Date of Agreement	12/03/2018	
Consumer Guarantees Act (CGA)	<p>You have certain rights under the CGA. These rights are expressed as a series of guarantees.</p> <p>The principle guarantees applicable to the vehicle covered by this policy are that the vehicle must be of acceptable quality, fit for any particular purpose (you asked about or were told about) and matches any description given with the vehicle. In some circumstances the manufacturer or importer must also guarantee that spare parts and repair facilities are available for a reasonable time after the vehicle is sold to you. Acceptable quality means goods do what they are made to do, are acceptable in appearance and finish, are free from minor defects and are safe and durable. What is reasonable and acceptable depends on what a reasonable consumer would think was acceptable based on the nature of the goods, the price paid and any statement that may have been made about the goods.</p> <p>If your vehicle fails to comply with any guarantee under this Act, you may require that the dealer remedies the failure within a reasonable time. You must give the dealer the first opportunity to remedy the failure - as long as the dealer complies with its obligations under the CGA, if you have the failure remedied elsewhere you will not be entitled to obtain your costs from the dealer.</p> <p>If the failure is of a substantial character, you may reject the vehicle within a reasonable time and choose to have either a refund or replacement. You may also be entitled to compensation for any other reasonably foreseeable loss or damage.</p> <p>If the dealer fails to comply with its obligations under the CGA, you may have the failure remedied elsewhere and obtain all reasonable costs incurred in having the failure remedied from the dealer.</p> <p>Protection under this policy is additional to the rights you have under the CGA.</p>	
<p style="text-align: center;"><u>Comparison</u></p> <p>The following is a summarised comparison between the cover (guarantees) provided by the Consumer Guarantees Act (CGA) and the cover provided by Mechanical Breakdown Insurance (MBI).</p> <p>This is only a brief summary and is not intended to replace your MBI policy booklet or limit your rights under the CGA. Please take time to familiarise yourself with your policy booklet which sets out the full policy terms, conditions, exclusions, limits and excess (conditions) which apply to your MBI cover.</p>
