Re: our comments regarding Information request to schedule 1

Hi there,

As per our contract in **schedule 1**, it was mentioned cash, our intention regarding **cash** is the **hourly pay rate** in NZD, to avoid the miscommunication we are changing the term cash in to pay rate in our contract form and we are attaching the modified copy to this email. Please find the attachment.

If you further do require any docs related to the position offered, please contact me on my email/ telephone.

Sincerely,
SID DOMA
