Asset Owner Details

The assets owners listed below have been requested to contact you with information about their asset locations within 2 working days. Additional time should be allowed for information issued by post. It is **your responsibility** to identify the presence of any underground assets in and around your proposed dig site. Please be aware, that not all asset owners are registered with the beforeUdig service, this confirmation will not provide details of those asset owners so it is **your responsibility** to identify and contact directly any asset owners not listed here. Any asset owner name with the status 'Not Notified' is an associate member of beforeUdig which only notifies you of their presence and you will need to contact them directly.

Where an Asset Locate has been requested, Utilities will endeavour to respond to your Preferred Locate Date, where possible. Asset owners highlighted by asterisks ** **Do Not** supply plans and/or information regarding the existence of underground assets on private property.

Hi,

Thank you, we have received your request for Chorus underground information.

Below is important information that will help you answer any questions you may have prior to receiving your plans or having your cable locate.

- If you have requested our underground plans you will receive them within approximately 24 hours during work time 8am – 5pm (Monday- Friday)
- Any after- hours Emergency locate **after 5pm and before 8am only**. Please call 0800 111 124
- Our plans are notional and are not 100% indicative of where the cable lies. We only have plans for cables outside the property boundary. Chorus does not have plans for cables on Private Property.
- If you have a requested a Cable Locate: the cable locator will be in contact with you within 2 working days to arrange completion
- Cable Locates are \$99+GST for the first hour, \$25+GST every 15 minutes after – the only exception is shared network on Private Property
- If you damage or expose any cables/network, please call Chorus on 0800 4 Network (0800 463 896 Option 2) to report this to reduce service impact
- Chorus offers a free Stand-over Service after you have had a Chorus Locate. This can be arranged by calling B4UDig on 0800 248 344
- If you require a new connection please contact a Retail Service Provider and they will arrange this

Please ensure you download and view the free "Road Workers Booklet" available from the NZUAG Website http://www.nzuag.org.nz/about-us/pdfs/NZUAG_Road_Workers_Booklet_Web.pdf

Remember: Cables should be expected to be found at **ANY** depth.

If you have further questions please feel free call the Network Protection team on

0800 822 003 and they will be happy to assist you.

Kind Regards,

Network Protection
