I confirm that I agree:

- to Chorus undertaking the installation works required on my property as set out on the reverse of this leaflet ("installation works") and I acknowledge the means of connection to be used to connect the relevant property to the Chorus network;
- to Chorus accessing my property in the future in order to install, maintain, repair and/or replace any of the equipment comprising the installation works and any replacement of these works;
- not to interfere with any equipment forming part of the Chorus network ("Chorus network equipment") at my property and I acknowledge Chorus has continuing ownership of the Chorus network equipment at my property;
- this confirmation will continue to apply for as long as any Chorus network equipment remains at my property; and
- any entity which takes over responsibility for installation the UFB network may rely on this confirmation for its benefit.
