Dear Gagan Deep Singh,

Further to our discussions and as part of our restructuring plan, we advise you that your base location of work will be changed to Napier from Ashburton, effective from Feb 22nd 2018. You will perform your duties diligently as per the instructions of Fabril Solutions Ltd and will comply with all the existing policies and practices. Please be advised that this change is due to increase in high work volumes and also to offer our best services to our clients i.e., Chorus and Vision Stream.

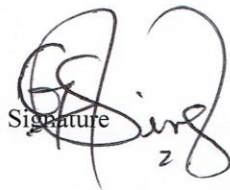

As a business, we continuously monitor our internal processes so that we optimize our productivity. Please do not hesitate to contact the management if you have any concerns.
