Sub – Gurvinder Singh visa application

Dear Sir / Madam,

I am writing this letter in support of the visa application of **Gurvinder Singh**. I am the Director of Fabril Solutions Ltd at 3/1A Prangley Avenue, Auckland.

Fabril Solutions was incorporated in the year 2016, At Fabril Solutions we strive to provide quality services to Kiwi homes and businesses throughout New Zealand. We have a team of experienced technicians who tackle every day's issues with efficiency and innovation delivering top quality services to our customers consistently. We pride ourselves to be strong reputable market players. Our close knit team practices a culture of care for each other and for our clients, thus insuring the delivery of top quality services and innovative solutions in an efficient and effective manner.

We are a Fibre Optic Solution provider – doing the installations and managing the jobs. The company is locally owned and operated which started its operations in the Fibre Single Dwelling Units “SDU” provisioning service and then extended its business in allied projects like Multi Dwelling Units “MDU” and Civil. The company has a strong presence in Auckland, Napier, and Palmerston north Christchurch with 20 employees.
